

***TEXAS HIGH SCHOOL COACHES ASSOCIATION***

*Helping Coaches Help Kids*

— SINCE 1930 —

## **SUMMARY BENEFIT STATEMENT**

By being a member of the THSCA, we give coaches access to the people, events, tools and resources to help them thrive in the profession, become trusted leaders in their communities, and live balanced and successful lives.

Our programs are designed to give every coach in every sport a voice, help them grow personally and professionally, give them the tools to navigate the real world issues student-athletes face, build a coalition of support in their communities, celebrate their successes and empower them to have a lasting impact on high school athletics.

The work and sacrifice coaches do every day is vital to the development and success of student-athletes. The THSCA is here to support those efforts. We fight for every coach, provide them with the connections and resources to make their lives better and help all student athletes throughout the state enjoy lasting success.

### **REPRESENTATION**

We are an association that represents every coach in every sport throughout the state of Texas and encourages our members to share their voices and continue to “help coaches help kids.”

### **ADVOCACY**

We provide a network of support and advocacy to place coaches in the best position to succeed and we fight for our members every day to achieve their goals.

### **PERSONAL & PROFESSIONAL DEVELOPMENT**

We provide coaches in every sport with access to the people, events, tools, and resources that help our members improve their skills and knowledge and enable them to thrive personally and professionally.

### **AWARDS & RECOGNITIONS**

We recognize and celebrate the achievements of coaches and student-athletes and the efforts of contributing stakeholders who support our members on and off the field.
